## *Clean living with Revive*

From healthy living to racy lifestyles, area marketing firms are making some noise.

First, the healthy. Revive, the PR agency spun out of Davies Public Affairs last year, has won the prestigious Holmes Report award for New Agency of the Year. Brandon Edwards and crew are headed to New York to receive

their hardware on May 11.

The agency specializes in the practice areas of health services and healthy living and continues to maintain offices in downtown Santa Barbara. The agency was singled out for “hitting the ground running.”

Agencies in business three years or less were eligible for the competition.
